

Dear Neighbours,

9<sup>th</sup> February 2026

There are no significant changes to programmed activities on site. Key works along visible elevations are:

**Week commencing Monday 9<sup>th</sup> February 2026.**

1. Façade installation and window installation: South Audley Street, Hill Street and Waverton Street.
2. Concrete and screed pumps will continue be located in the Waverton Street pit lane. Acoustic barriers have been placed around the pumps. Noise, dust, and vibration monitors located close to this activity have not recorded any exceedances against WCC approved levels. Additional acoustic screening measures are being investigated.
3. Works to external terraces (South Audley Street) levels 5 and 7 will continue.
4. The removal of the hoist on South Audley Street is almost complete; a smaller goods hoist will NOT be installed in its place. During the week commencing 9<sup>th</sup> February, windows will begin to be installed, and the building closed up from ground floor to level 4. The white plastic scaffold sheeting (monaflex) along this elevation has been removed but will be replaced in due course.
5. Roof cladding works have commenced.

**Upcoming works:**

1. Following on from the duct installation works (South Audley Street elevation), utilities companies will begin to connect services to site. This is likely to commence in Q1 2026. Details will be shared closer to the works commencing. Further works by utilities companies (not under 1 Mayfair control) will commence in Q1 2026 and some road closures will be in place. As soon as details are available, these will be shared with you.
2. Cutting out a concrete upstand on Hill Street is planned to begin within two weeks. Further details to follow.

Strict adherence to our Best Practicable Means (BPM) measures will be observed throughout all our works.

Please contact Peter Walsh, on **07767 858638** or email [peter.walsh@macegroup.com](mailto:peter.walsh@macegroup.com) if you have concerns, comments or complaints at any time during these works.

Many thanks and kind regards,

Peter Walsh
